

Pump Replacement Parts

Cost Effective OEM Parts 100% Interchangeable Guarantee!

Save time and money with sanitary positive displacement and centrifugal replacement parts for your Waukesha Universal 1 and 2 Series, Fristam centrifugal or any Ampco pump model. **Ampco's parts are ready for immediate shipment.**

As a market leading OEM sanitary pump manufacturer, customers have come to rely on Ampco's industry leading deliveries. With over \$5,000,000 in spare parts inventory you can confidently order **guaranteed** replacement shafts, seal kits, alloy 88 rotors, elastomers and more for next day delivery.

If you have a serial number, or competing part number, you can share the information with our parts sales team who can assist you or use the parts cross reference guide at www.ampcopumps.com.

Contact your Ampco distributor or our experienced inside sales team today for pricing. **414.643.1852 / sales@ampcopumps.com**
